

## NeuroKontrol

NeuroKontrol aka N'Ko UTF comes from free parties and teknival french scene, where he start to play in liveset in 1998 with Utopik Tekno Family crew.

Active member of the underground scene, participating in the establishment of teknivals, carnivals and other events in france and italy,

he created the label Astrofonik.com with Wakefields in 2004, and is produced by the major French hardtekno labels : Tekita, Le Diable Au Corps, W.A.R, LSDF...

In 2008, over 100 pumpin tracks are pressed on vinyls and several CD albums, then N'Ko becomes Neurokontrol in 2009, with stronger

deshinibited beats & remixes, and burns dancefloors throughout all Europe, keeping his own style he brings some fresh air to the underground scene.

The smile is required on its festive music, mixing well pumping and hard rythms, with many different influences, always good surprising !
